

February 11, 2022

Dear CSEBA Members:

With schools in full swing and students settling back into their daily routines after winter break, we at CSEBA wish to take a moment and express our continued gratitude to you as a member of our family. We appreciate your membership and, together, we will continue to navigate these unprecedeted times.

For those who are unfamiliar with us, CSEBA is one of the five largest school joint powers authorities (JPAs) in California. We assist your district in delivering a variety of employee benefits, which may include medical, dental, vision, and life insurance benefits, plus voluntary benefits through American Fidelity and the CSEBA Store. Our mission is, as always, to be the premier provider of quality, cost-effective employee benefit programs, services, and resources tailored to the needs of our members.

With the COVID-19 pandemic still on everyone's mind, we want to make sure you know that we care about you and your family. You may be dealing with a variety of situations that you never had to deal with before, and we want you to know that we are here to support you and to meet your health and wellness needs, including any mental health needs you or your family may have, through personal connection and technological assistance.

We are proud to say that, during the past year, we achieved some major milestones, including:

- A successful and well attended annual meeting
- The introduction of CSEBA's mobile app
- Strengthened the JPA's overall financial sustainability
- Negotiated affordable member premiums
- Worked with our carriers to expand benefit plan networks
- Provided new benefit offerings, enhanced programs, and additional member choices
- Offered education programs and technical assistance
- Added more school districts to our JPA family
- Hired additional staff and added resources to better serve our membership
